by deleting subdivision (a)(2) in Section 1 and substituting instead the following:

(2) Notwithstanding subdivision (a)(1), goods, wares, and merchandise manufactured by inmates may be offered for sale to government entities or to private nonprofit corporations and charitable organizations that are duly chartered as such under the laws of this state on such terms and conditions as the TRICOR board deems to be in the best interest of this state and if the TRICOR board determines the sales do not unfairly compete with private sector businesses in this state. The inmates making the goods, wares, and merchandise for resale to government entities or to private nonprofit corporations and charitable organizations must be paid an appropriate wage so that the products do not unfairly compete with private sector businesses in this state.

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 41-21-204, is amended by adding the following as a new subsection:

(g)

(1)

(A) A female inmate who is fifty (50) years of age through seventy-four (74) years of age must be offered a mammogram, primary screening, or other appropriate early breast health screening every two (2) years at no cost to the inmate.

(B) A female inmate who is forty (40) years of age through forty-nine (49) years of age must be offered a consultation with a physician to seek professional care as to when to receive a mammogram or other appropriate early breast health screening.

(2) A correctional institution, as defined in subdivision (c)(2)(C), shall, to the best of the correctional institution's ability, provide female inmates with educational programs focused on the importance of preventative healthcare measures that include, but are not limited to, breast self-examination.

SECTION 2. This act takes effect July 1, 2021, the public welfare requiring it.
